Nursing Assistant Articulated is a 165 – hour program. Classroom hours are 8:00 – 2:30. The student attendance policy for each postsecondary program is consistent with industry standards. Refer to PCT Handbook /Nursing Assistant Handbook for additional attendance criteria.

Attendance Policy: In an effort to develop appropriate work ethics, the Health Science Education students are expected to attend all class sessions. Just as is expected in the workplace, when it is necessary to be absendue to illness or emergency situations, the student is required to notify the school or instructor at least one (1) hour before the expected time of arrival and or before the date of absence. Immediately upon return, it is the student responsibility to request handouts, homework assignments from the instructor and to complete them by the date specified. A student with frequent absenteenism and tardiness will miss valuable learning experiences and may not be able to maintain passing grades and may be withdrawn. The student is responsible for all materials covered in class/laboratory.

The student attendance policy for each postsecondary program is consistenct with industry standards. Refer to your specific handbook
