Certification Reimbursement Plan
Pass a State approved industry credential exam aligned to your program of study and we will help you pay for it (conditions apply).

College Credit Eligibility
In many programs, students who have met all eligibility requirements to become a program graduate may also be awarded college credits from Broward College and other Florida state colleges/community colleges toward an AS or AAS Degree. Students must enroll in Broward College within two (2) years of completing their program at Atlantic Technical College. See your program counselor/advisor for details and conditions.

Guarantee for Success
Atlantic Technical College and Technical High School (ATC) is committed to teaching the skills you need for the career you want. We are proud to stand behind our graduates and the education they receive. To demonstrate our support, we offer the Guarantee for Success Plan. If a graduate of ATC does not pass the identified, entry-level, industry certification test in his or her field of study, the student is invited to return for additional training and/or test preparation at no additional cost. See the program counselor/advisor for details and conditions.

Health Science and Practical Nursing
754-321-5187 | Main Campus
754-322-2818 | Arthur Ashe, Jr. Campus

NOTE: In accordance with requirements set forth by the Joint Commission and the Jessica Lunsford Act, students applying for entrance into any Health Science program must submit to a Level 2 criminal background check and take a drug screening test. This requirement is mandated due to the fact that all Health Science students must participate in a clinical rotation in a healthcare facility as a part of their training.

The applicant is responsible for paying for the costs of both tests. The results of these tests may prevent the applicant from either entering or remaining in a Health Science program. Students who are not cleared on their background check or test positive for illegal drugs will not be allowed access to healthcare facilities for clinical externships and therefore will not be able to complete the program.

In addition to a background check and drug screening, all students registering for any of the Health Science programs are required to have current immunizations and a yearly physical exam.

Prospective students who do not have a valid Social Security Number may encounter difficulties within licensure programs. Please contact the program counselor for specific information.

Additionally, all students entering or re-entering the Practical Nursing program must take the Test of Essential Academic Skills (TEAS) and meet minimum requirements.

Apprenticeship is a method of training individuals in a trade using a combination of on-the-job skills development and classroom/lab related instruction. There are both union and non-union programs. Apprenticeship training programs in Florida operate in accordance with Federal and State laws and rules.

Apprenticeship training offers the individual a chance to “earn while you learn.” In addition to a paid 40 hour on-the-job training work week under the supervision of a journey person, apprentices are required to attend related training on selected evenings and/or weekends.

Wage increases are granted as the apprentice gains time in training and acquires experience.

Apprenticeship training programs vary in length depending on the trade and can take from three (3) to five (5) years to complete.

Atlantic Technical College serves as the Apprenticeship LEA (Local Educational Agency) for Broward County Public Schools, and coordinates the largest apprenticeship training program in Florida.

Apprenticeship training programs include:

- Brick and Block Masonry (Bricklayer)
- Carpentry (Carpenter)
- Commercial Sign Design and Fabrication (Decorator Trade Show)
- Electrician
- Elevator Constructor Mechanic
- Glazing (Glaziers)
- Heating, Ventilation, Air-Conditioning, Refrigeration (HVAC/R) (Heating & AC Installer/Servicer)
