Central Sterile Processing Technician 2020-2021

Course Content:

This program is designed to prepare students for employment in hospitals or surgical out-patient centers to work as sterile processing technicians, central supply workers, medical equipment preparers, material management workers and inventory technicians. Students will be taught a variety of skills and competencies using supplies, instruments and equipment available in the classroom and lab that are similar to those used in the field. Skills covered include how to decontaminate, prepare and sterilize instrument trays for surgical procedures, disinfect patient care equipment and the various methods of inventory control, and storage and distribution of sterile supplies and equipment. A clinical externship in a hospital or out-patient facility is included in the program.

Program Length:

650 hours (approximately 6 months full-time)

Program Offered:

August & January

Delivery Method:

Traditional – 100% classroom based

Hybrid – less than 50% of required instructional hours available via distance education (online)

Days & Times:

Monday – Friday 7:30 a.m. – 2:15 p.m.

Admission Requirements:

- Complete a Program Orientation
- Basic Skills Testing or Exemption
- Meet with Program Counselor/Advisor
- Clearance on FDLE Level II Background Check
- Negative Drug Test Results
- Immunizations and Physical

Students enrolling in any Health Science Education program must undergo a Level II criminal background check and drug screening, per The Joint Commission. Students who do not have a valid social security number may encounter difficulty with certain state licensing agencies and registries. Contact the program counselor/advisor for specific information.

Additional Skills Covered:

- Anatomy & Physiology
- Bloodborne Diseases HIV/AIDS, HBV
- Central Services Departmental Organization & Function
- Communication & Interpersonal Skills
- Computer Literacy
- CPR, BLS Healthcare Provider
- Employability Skills
- Infection Control Procedures
- Laboratory Testing Procedures
- Legal & Ethical Responsibilities
