ESOL Program

This program prepares students with the skills to communicate in English to further their technical and academic studies and enter job certification fields.

.....

Integrated Education Training (IET)

Students learn English and begin a technical program at the same time. Technical programs are available in the following industries:

- Architecture & Construction
- Business Management & Administration
- Health Sciences
- Hospitality & Tourism
- Information Technology
- Manufacturing
- Transportation, Logistics & Distribution

For more information, contact the program advisor at 754-321-5352.
