Patient Care Technician 2020-2021

Course Content:

This program prepares the student to function as a multi-skilled healthcare worker who, under the direction and supervision of a Registered Nurse, carries out the essential basic bedside patient care functions. The Patient Care Technician comes in direct contact with the patient in the performance of his/her assigned duties. Students also receive supplementary training in 12-lead EKG, basic phlebotomy techniques and restorative skills.

Program Length:

600 hours (approximately 6 months full-time)

Program Offered:

January

Delivery Method:

Traditional – 100% classroom based

Days & Times:

Monday – Friday 7:05 a.m. – 1:50 p.m.

Admission Requirements:

- Complete a Health Science Program Orientation
- Basic Skills Testing or Exemption
- Meet with Program Counselor/Advisor
- Clearance on FDLE Level II Background Check
- Negative Drug Test Results
- Immunizations and Physical

Students enrolling in any Health Science Education program must undergo a Level II criminal background check and drug screening, per The Joint Commission. Students who do not have a valid social security number may encounter difficulty with certain state licensing agencies and registries. Contact the program counselor/advisor for specific information.
