Carpentry 2020-2021

Course Content:

The Carpentry program prepares students for employment in the Construction and Manufacturing industries by teaching the skills of cutting, shaping, and installing building materials during the construction of buildings, ships, timber bridges, concrete formwork, and so much more. Specialties within the Carpentry field, such as Rough, Finish, Trim, Framing and Formwork, will be explored.

Carpentry students will experience all facets of the carpentry trade, including planning; management; finance; technical and production skills; underlying principles of technology; labor issues; community issues; and health, safety, and environmental issues.

Program Length:

1200 hours (approximately 12 months full-time)

Program Offered:

August & January

Delivery Method:

Traditional – 100% classroom based

Days & Times:

Monday – Friday 7:05 a.m. – 1:50 p.m.

Admission Requirements:

- 16 Years of Age or older
- Complete a Program Specific Orientation
