

Career Placement 2021-2022

Career Placement is a work-study transition service designed to assist students with Individualized Education Plans (IEP), to achieve their goals of independence and paid employment. Students are assisted in obtaining and maintaining competitive entry level jobs in the private business sector. Career Placement Services enables students to identify career options, access community resources, and meet industry standards for entry level employment.

Areas of Study:

- Applying for jobs using appropriate communications and follow-up, such as contacting employers, composing a resume, completing job applications, and participating in interviews
- Evaluating own knowledge and skills
- Fulfilling job responsibilities
- Maintaining positive interactions/relationships on the job
- Making decisions and problem solving on the job
- Making plans for personal and career goals
- Self-advocating on the job
- Staying motivated on the job
- Using public transportation to independently move about the community

Ask your ESE Specialist for an Application. After your application has been received by Atlantic Technical College and Technical High School, you will be contacted and scheduled for a visit to discuss your interest in Career Placement.

There is no fee for Career Placement
