Course Description:

This program is designed to prepare students for employment as a legal administrative specialist, information technology assistant, front desk specialist and/or administrative support specialist. It is intended to provide supplemental training for persons previously or currently employed in any of these occupations.

Coursework prepares students to perform legal office duties utilizing knowledge of legal terminology and legal office procedures; to transcribe legal documents; to perform legal office functions; to produce quality work using advanced features of business software applications. After successfully completing the program, the student will be able to perform legal office activities and will have developed skills in keyboarding, records management, communications, human relations, transcription, computer applications, and decision making.

Technical College Policy/Adult Student Attendance:

- A student must be withdrawn after being absent for six (6) consecutive days.
- Two (2) additional absences may be allowed under certain circumstance with appropriate documentation.
- Please refer to the Student Handbook for postsecondary students.
