

Patient Care Assistant

2021-2022

**Classes are held at
Arthur Ashe, Jr. Campus, 1701 NW 23rd Ave., Ft. Lauderdale**

Course Content:

The Patient Care Assistant (PCA) program prepares student for employment as cross-trained nursing assistants and provides foundational knowledge and skills. Students receive training in communication and interpersonal skills, infection control, safety/emergency procedures, promoting residents' independence, and respecting patient rights. The PCA works in the hospital setting as a member of the healthcare team under the direction of the nurse. Duties include taking vital signs and assisting patients with basic tasks.

A certificate is issued at the successful completion of the program in accordance with State guidelines. Graduates are eligible to take the Certified Nursing Assistant (CNA) certification examination. The Florida Department of Health/Board of Nursing will issue a certificate to those who pass the examination.

Program Length:

290 hours (approximately 10 weeks full-time)

Program Offered:

August, November, February, April

Delivery Method:

Traditional – 100% classroom based

Days & Times:

Monday – Friday 7:05 a.m. – 1:50 p.m.
