SAVE TIME AND MONEY BY EARNING FREE COLLEGE CREDIT

At Atlantic Technical College and Technical High School students benefit from collaboration between Broward County Public Schools, Broward Technical Colleges, and The Florida College System. Our students have opportunities to save time and money in pursuit of their educational career preparation.

Career and technical education programs at the high school articulate to aligned postsecondary technical education certificate programs at Atlantic Technical College. Subsequent to completing a technical certificate program or a nationally recognized industry credential(s) in their field, eligible students could be awarded college credits towards an aligned Associate in Science (A.S.) Degree at Broward College or at other State Colleges within Florida

Let us show you how to Save Time and Money.

Learn how a high school graduate can earn coursework and/or industry credential credit through an aligned postsecondary Technical program at a Broward Technical College. For students preparing to graduate high school to see which coursework and/or credentials could apply, click on the link below.

Students who complete a Broward Technical College program may receive free Associated of Science degree transfer credits from Broward College or another Florida state college. Additional credits may be applied when students earn an aligned industry credential. Click on the link below for detailed information to see your savings of time and money toward the two-year Associate in Science Degree.
