**ESOL Program**

This program prepares students with the skills to communicate in English to further their technical and academic studies and enter job certification fields.

**Integrated Education Training (IET)**

Students learn English and begin a technical program at the same time. Technical programs are available in the following industries:

- Architecture & Construction
- Business Management & Administration
- Health Sciences
- Hospitality & Tourism
- Information Technology
- Manufacturing
- Transportation, Logistics & Distribution

For more information, contact the program advisor at 754-321-5352.
