

# 2023-2024

## TRANSPORTATION, DISTRIBUTION & LOGISTICS

Atlantic Technical College & Technical High School

# ADVANCED AUTOMOTIVE SERVICE TECHNOLOGY (TOYOTA T-TEN)

### Course Content:

The Advanced Automotive Service Technology (Toyota T-TEN) program is specific to Toyota/Lexus products using Toyota/Lexus automotive vehicles, trainers, parts, tools and curriculum materials. Instruction includes practical classroom applications and a paid internship experience at a Toyota/Lexus dealership under the supervision of a Certified Toyota/Lexus Technician and the Program Teacher-Coordinator to achieve factory certification. Instruction also coincides with the eight (8) areas of professional technician certification recognized by the ASE Education Foundation.

Today's technicians must possess advanced skills in math, communications, electronics and the ability to diagnose complex problems. This advanced program is an intense training and academic program provided by ATC in partnership with Toyota Motor North America, Inc. (TMNA), Southeast Toyota Distributors, local Toyota and Lexus dealers, and Broward College.

**T-TEN students must take ASE Certification exams during their time in the program and pass a minimum of two (2) ASE areas prior to completing the T-TEN Program.**

### Additional Skills Covered:

- Advanced Engine Performance
- Automatic Transmission/Transaxle
- Brake Systems
- Electrical Systems/Auto Electronics
- Engine Repair & Performance
- Heating & Air Conditioning
- Internship in a Local Toyota/Lexus Dealership
- Introduction to Automotive Technology
- Manual Drive Train & Axles
- Suspension & Steering

### Admission Requirements:

- 18 Years of Age on or before October of the first year of registration.
- High School or High School Equivalency Diploma
- Complete a Program Specific Orientation
- Basic Skills Testing or Exemption

**\$28,575**

### Industry Certification & State Credential Exams:

Students will be prepared to take an approved state and/or nationally recognized industry certification or licensure exam in their field of study. Exam costs are additional; however, you may qualify for reimbursement of your exam cost(s) upon passing. See your program counselor/advisor for more information.

### College Credit Transfer Opportunity and/or Advanced Standing:

Upon completion of the program and meeting eligibility requirements, including the attainment of an aligned industry certification, students may be awarded credits toward an Associate Degree by the Florida College System. Students must enroll within two (2) years of completing the program at Atlantic Technical College. Additional college credit may be awarded with the attainment of additional industry certifications.

### Books / Supplies:

For a list of books and prices go to [atlantictechnicalcollege.edu/bookstore-price-list/](http://atlantictechnicalcollege.edu/bookstore-price-list/) or visit the bookstore on campus. Additional supply information can be found in the syllabus located on the Web page for this program.

# GET STARTED TODAY!

### YOUR ACTION STEPS:

**Step 1:** Attend an ATC Program Information Session

**Step 2:** Reply to Follow-up E-mail

**Step 3:** Secure Funding Source

**Step 4:** Registration, Payment, and Enrollment

### POSSIBLE JOB TITLES:

- Master Automotive Technician
- Expert Automotive Technician
- General Automotive Technician
- Assistant Service Manager (Advisor)
- Auto Parts Counterperson
