

2024-2025 | ATLANTIC TECHNICAL COLLEGE & TECHNICAL HIGH SCHOOL

BUSINESS, MANAGEMENT & ADMINISTRATION

MEDICAL ADMINISTRATIVE SPECIALIST

Course Content:

Students will be prepared for employment as medical secretaries, medical office clerks, medical insurance secretaries, medical records clerks, and medical administrative specialists or to provide supplemental training for persons previously or currently employed in these occupations. The program prepares students to perform medical office duties utilizing knowledge of medical terminology and medical office procedures; to transcribe medical documents; to perform medical office functions using specialized medical scheduling/billing software; to produce quality work using advanced features of business software applications; to research job opportunities; and to produce high quality employment portfolios and jobseeking documents.

After successfully completing the program, the student will be able to perform medical office activities and will have developed skills in keyboarding, records management, communications, human relations, transcription, computer applications, and decision making.

Program Length

1050 Hours (approximately 10 months full-time | 20 months part-time)

Program Offered
