Course Description:

This program is designed to prepare students for employment as a Legal Assistant Secretary, Court/Judicial Clerk Assistant, Records/File Clerk, Notary Public, Insurance Agent, Title Examiner and/or various legal support positions. The Legal Administrative Specialist program is well-suited for individuals looking to gain foundational experience in the legal field and can serve as a pathway toward more advanced legal positions with additional education or certifications.

Through a combination of legal theory and administrative practice, students will develop a foundational understanding of the U.S. legal system, legal terminology, court procedures, and document preparation. Emphasis is placed on enhancing proficiency in legal terminology, ethical responsibilities, office management, and the use of legal-specific software applications. Students will gain hands-on experience in drafting legal correspondence, managing case files, scheduling, and maintaining confidentiality and professionalism in legal environments. The program prepares students to sit for the Accredited Legal Professional (ALP) NALS Certification exam and become a Microsoft Office Specialist (MOS) Expert or Master, in addition to earning the Legal Administrative Specialist Career Certificate.

Technical College Policy/Adult Student Attendance:

- A student must be withdrawn after being absent for six (6) consecutive days.
- Two (2) additional absences may be allowed under certain circumstances with appropriate documentation.
- Please refer to the Student Handbook for postsecondary students.
