Adult Education and Family Literacy Week (9/15 – 9/19)

Good morning ATC,
My name is **Ketisse D.** I am taking class with Teacher Jean Luc Elifis. I am a level 3. I am so happy to see the school community know that Teacher Elifis has helped me to understand something that was so confusing to me. Through the Burlington Education week, I have learned the difference between GPA in America versus here. When I am in Haiti, the passing GPA for me was 6. Teacher Jean helped me to realize that in America the passing GPA is generally 2. Now I understand better my kids report cards. I am so happy about that. I also understand that my kids deserve rewards when they pass GPAs 3 and 4. Before, I would punish them because in my country a 3 or 4 GPA is shameful. Thank you to all ATC community members!!

I Miss My Country
I am from Colombia. I was born in Cali. I have been in the United States for 4 years but I miss Colombia. I miss my family. They are still in Colombia. I am with my husband and my daughter here. I miss many things of Colombia. The food, the people, the music, the mountains, and the landscape is beautiful. There are also Colombian universities in the USA but it's not the same as before my mom's death. I love the United States but I miss Colombia too. I hope to return one day and share with my...

I taste delicious watermelon
I touch and hug my son and everything improves
I hear the birds
I smell the aroma of fresh air after rain
I am grateful and blessed
I understand that we cannot change other people's thoughts
I know that when I am old, I will have a peaceful and happy life
I try to speak English even though I'm nervous
I hope the world is better for everyone
I pretend everything is okay even if it isn't

Adult Education and Family Literacy Week!
Pre-College ESOL, Coconut Creek Campus

Good morning ATC,
My name is **Enette F.** I am a student of level 3 from Mr. Jean Luc Elifis class. I am so excited to share a testimony with ATC. Before I took class with Mr. Elifis, I did not fully understand my paycheck. Now, I understand it. One time as I used to work more than 40 hours, I just realized that they pay me more. Now, I know how they calculate that. During the week of Burlington Employment, teacher Elifis covers word problems related to overtime. I also understand the concept of gross pay, net pay, deductions. I know that all the money will not come to my pockets. I really appreciate that now I can have a clear idea about my pay based on the number of hours I work that week.
Thank you, ATC!!!
