COURSE CONTENT

Launch your career in technology with our Applied IT program, designed to build foundational skills and hands-on experiences critical for navigating today's dynamic IT industry. Our carefully structured curriculum offers practical competencies in hardware and software troubleshooting, fundamental cybersecurity practices, essential cloud computing, and introductory networking concepts.

Engage in interactive lab sessions that foster technical proficiency and develop robust problem-solving capabilities. Our program prioritizes earning valuable industry certifications, including CompTIA IT Tech+ and CompTIA A+. The final phase of our course guides students toward identifying and specializing in their specific IT career interests, providing focused training and support for relevant advanced certifications.

Graduates leave equipped with practical knowledge, industry-recognized credentials, and clear pathways to successful careers in IT support, network operations, cloud, and beyond.
